COMMUNITY REINVESTMENT ACT NOTICE

Under the Federal Community Reinvestment Act (CRA), the Federal Deposit Insurance Corporation (FDIC) evaluates our record of helping to meet the credit needs of this community, consistent with safe and sound operations. The FDIC also takes this record into account when deciding on certain applications submitted by us. Your involvement is encouraged.

- You are entitled to certain information about our operations and our performance under CRA, including, for example, information about our branches, such as their location and services provided at them; the public section of our most recent CRA Performance Evaluation, prepared by the FDIC; and comments received from the public relating to our performance in helping to meet community credit needs, as well as our responses to those comments. You may review this information today.
- At least 30 days before the beginning of each quarter, FDIC publishes a nationwide list of the banks that are scheduled for CRA examination in that quarter. This list is available from the Boston Regional Manager, Federal Deposit Insurance Corporation, 15 Braintree Hill Office Park, Braintree, Massachusetts 02184.
- You may send written comments about our performance in helping to meet community credit needs to:

**Renee M. Baldini, Executive Assistant & CRA Officer
Franklin Savings Bank 387 Central Street
Franklin, New Hampshire 03235**

and to the FDIC Regional Manager.

Your letter, together with any responses by us, will be considered by the FDIC in evaluating our CRA performance and may be made public.

- You may ask to look at any comments received by the FDIC Regional Manager.
- You may also request from the FDIC Regional Manager an announcement of our applications covered by the CRA filed with the FDIC.

HOME MORTGAGE DISCLOSURE ACT NOTICE

The HMDA data about our residential mortgage lending are available online for review. The data shows geographic distribution of loans and applications; ethnicity, race, sex, age and income of applicants and borrowers; and information about loan approvals and denials. HMDA data for many other financial institutions is also available online. For more information, visit the Consumer Financial Protection Bureau's website at www.consumerfinance.gov/hmda.

CRA Mission Statement

This Bank is committed to serving the needs of our entire community, including low- and moderate-income areas. We fulfill this commitment, consistent with safe and sound operations, by following several simple guidelines:

FIRST, we will actively work to assure that our own personnel understand and share the Bank's commitment to serving low- and moderate-income customers. We will also assure they are equipped with the knowledge, products, delivery systems, and motivation needed to do so effectively.

SECOND, we will actively seek to understand and be responsive to the credit needs of our markets, including low to moderate income areas.

THIRD, we will actively strive to assure that creditworthy potential customers in our community, including those in low- and moderate-income areas, are aware of the services we offer and that we want their business.

Description of Institution

Franklin Savings Bank is a mutual savings bank headquartered in Franklin, NH a full- service community bank chartered in 1869. One of the Bank’s primary goals is to remain a community oriented, customer-focused, full service independent bank.

As of December 31, 2022, assets totaled \$761,651 million, of which \$528,198 million, or 69% in net loans. The Bank offers a wide range of loan products including residential, commercial and consumer loans.

LOAN TO DEPOSIT RATIO

Table 1 shows the Bank’s LTD ratio for each quarter from March 2020 to December 2022. The loan to deposit ratio demonstrates the extent to which the Bank is reinvesting deposited funds back into the community. Certain residential mortgage loans are originated and sold into the secondary market. However, those loans are not reflected in this comparison because they are not considered bank assets. Therefore, this traditional method of measuring loan activity is not reflective of the total overall mortgage originations which is higher than what is noted in the table here.

Description of Institution

Small Business Lending

Franklin Savings Bank is deeply invested in the communities where we live, work, and recreate. The Bank continues to commit significant financial and human resources toward effectively meeting the credit needs of the various communities we serve. Franklin Savings Bank consistently demonstrates the ability to respond to all creditworthy segments of its market(s) and comply with both the letter and spirit of the CRA.

As a community bank, we can provide timely service, and often times alternative sources of financing, to local small businesses throughout the Bank's assessment area. As an alternative to the large bank "one size fits all" approach, the Bank can customize loan products to meet the specific needs of a variety of local business types. In 2022 the Bank closed 109 small business loans. Of the 109 small business loans closed, 60 or 55% were \$250,000 or less and 59 were made within the Bank's assessment areas.

Throughout the year, the Bank provided financing to several municipalities, non-profit organizations and other businesses that promote the physical and mental health wellbeing of others. Franklin Savings Bank is expressly aware of the overall economic climate and credit needs within the Bank's general assessment area(s). In conjunction with small business loan originations, the Bank continues to work closely with borrowers who may be experiencing intermittent cash flow shortfalls. While delinquency and collections are a byproduct of lending, the Bank maintains a tradition of working closely with borrowers to provide every reasonable opportunity for a troubled borrower to remedy.

Franklin Savings Bank has a long-standing tradition of providing commercial loan support to the various markets it serves. The Bank is mindful of the importance of job creation, retention and development opportunities and continues to support the local business community, utilizing safe and sound lending practices.

A True Community Bank

Since 1869, Franklin Savings Bank has been a community supporter. The community continues to be a top priority for the Bank.

Franklin Savings Bank's commitment to the community is not due to any regulatory mandate; we believe a community bank gives back to the communities that support us. As a local community bank, we are often able to provide an alternative solution for the customer that does not fit the traditional mold required by many larger banks.

Donations: Over the years, community members have benefited from the Bank's support of CRA-qualified donations and support, as well as additional community support to assist a variety of local organizations, groups, and events. Total donations which include funds from The Fund for Community Advancement and the FSB Scholarship Fund totaled \$180,708.96 in 2022.

Donations include goods, service, time, leadership and/or money. This support has enabled residents to better themselves, their families, their neighborhoods, and their lives. Examples of the many donations include those made to: Food pantries, homeless shelters, support of education, animal rescue support and much more.

Volunteerism: During 2022, bank staff spent 1,657 hours using time and skills for the benefit of various organizations in the communities it serves. Organizations included but were not limited to various food pantries and organizations focused on helping various disadvantaged populations.

FSB Scholarship Fund: The FSB Scholarship Fund began in 1994 with \$50,000, As of 12/31/22 the Fund had a balance of \$386,135.98. In 2022, 15 deserving students received scholarships totaling \$14,600. Over the years the FSB Scholarship Fund has awarded \$377,979 in scholarships to 680 area students. Each year the Bank allocates a portion of this money to support employees or their immediate dependents.

FSB Fund for Community Advancement: The Franklin Savings Bank Fund for Community Advancement (FFCA) was established in 1997 as a \$1 million self-perpetuating fund to provide generous grants to programs in need. Since its inception, the Fund has awarded \$1,135,809 in grants to local organizations. In 2022, Franklin Savings Bank celebrated its 45th round of grants and awarded fourteen grants totaling \$65,901 as follows:

FINANCIAL LITERACY EDUCATION: FSB's website hosts two options to promote financial literacy. The first is the widely recognized FDIC Money Smart program and the second is series of educational videos designed for both personal and business customers.

In addition, Franklin Savings Bank staff has been a frequent visitor at our local schools to share financial literacy knowledge, discuss our careers, and encourage sound financial practices at students' homes.

SMART CD Program: As a means of encouraging EITC recipients to save money for housing or education, Franklin Savings Bank continues to promote the "Smart CD" program. If a deposit of at least \$100 is made to a "Smart CD" and the money remains there for 12 months, Franklin Savings Bank will deposit an additional \$100 into the account. The money can be taken out with no penalty if it is being used for education or purchasing a home. Another great feature of the CD is that the customer can make deposits of as little as \$5. This is meant to help the customer develop good saving habits. Franklin Savings Bank's Smart CD Program was recognized in 2011 in the National Community Tax Coalition Asset Building Resource Guide as a proven product to help promote asset building for VITA site participants. During 2022, FSB opened 24 Smart CDs of which % were to customers in our assessment area.

Under-Banked, Under-Served in Our Communities: Franklin Savings Bank continues to provide products for individuals who are under-banked and under-served. These products are designed to provide customers with the opportunity to re-establish a relationship with a true community minded bank.

Solutions Checking: In an effort to ensure that we are meeting all of our customer's financial needs, Franklin Savings Bank developed a product that is available for those customers that may have experienced checking accounts problems in the past. It may be extremely difficult for individuals to open a checking account once they have been reported to a consumer checking history database such as ChexSystems. Once reported, a record may stay on file for a period of five years.

Our Solutions Checking account is designed for customers who have had unfavorable checking account history with another financial institution. This checking account provides customers a second chance to establish a checking account despite having negative account history. In addition, if they maintain their account in good standing for six months, they can have their account upgraded to any of our other Franklin Savings Bank checking accounts that provide additional benefits. During 2022, the Bank opened 46 Solutions Checking accounts of which % were to customers in our assessment area.

Customer Access Channels

As part of the strategic planning process for Franklin Savings Bank, a list of ways Franklin Savings Bank customers access our financial services was compiled. Below is the list that is reviewed annually and updated as needed.

ACH: With customers' pre-authorization, payments can automatically be debited or credited from checking, money market and statement savings accounts. Additionally, the Franklin Savings Bank ACH program allows customers to process various transactions electronically.

Customers can:

- Transfer money to and from other financial institutions
- Pay FSB loans from another financial institution
- Transfer funds to FSB from another financial institution
- Transfer money person to person
- And much more.

ATM: Franklin Savings Bank offers 8 ATM locations:

On Site

- Main Office, Franklin ☒ \$
- Central Street Office, Franklin
- Bristol Office
- Tilton Office
- Boscawen Office
- Gilford Office
- Merrimack Office ☒ \$
- Goffstown Office ☒ \$

Customers are able to withdraw cash at each location. Deposits are accepted at the ATM machines marked with ☒. Locations marked with '\$' also provide customers immediate access to cash deposits. FSB customers can also make deposits to their card-accessed accounts at other financial institutions' deposit-accepting Accel/Exchange ATMs. Additionally, FSB customers are now offered unlimited access to their funds through their debit card, fee-free, at any Allpoint® ATM, including over 55,000 ATMs worldwide: 2,500 ATMs in New England and 43,000 ATMs Nationwide.

Customer Access Channels

(continued)

BANK-BY-MAIL: Bank-by-mail gives out-of-state, out-of-town or homebound customers the opportunity of mailing deposits, withdrawals, CD renewal information, account applications, etc. directly to the appropriate FSB staff person.

BRANCHES: (listed above under “ATMs”)

LOBBY: During business hours, our lobbies accommodate all financial services six days a week. Customers can complete transactions with Tellers or Personal Bankers, visit Personal Bankers to open new deposit and consumer loan accounts, renew Certificates of Deposit and IRAs, or make account changes. They can also access the Safe Deposit area in the Main Office, Gilford and Bristol branches. Loan department representatives are available at the Main Office, Gilford, Boscawen and Merrimack.

DRIVE-UP: With convenient drive-up hours, FSB customers have the opportunity to conduct banking transactions at most FSB offices without leaving their vehicle.

CHECKCONNECT24 / MERCHANT CAPTURE SERVICE: CheckConnect24 allows FSB merchants to scan checks received from their customers and issue deposits electronically to Franklin Savings Bank anytime, day or night. CheckConnect24 utilizes a desktop scanner that connects to the business customer’s PC and the internet via a secure connection. Key advantages of this access channel include: make deposits anytime; save time preparing deposits; consolidate funds from remote locations into an FSB account; cut costly employee time or courier costs for trips to the bank; and reduce the risk of check fraud.

CHECKS: FSB customers can write checks for payment from their personal checking, business checking, Health Savings Account (HSA) and/or money market accounts. Checks may also be written from the Home Equity Lines of Credit.

COIN COUNTER (SELF SERVICE): FSB customers can experience the immediate gratification of knowing their coin deposit amount by operating the self-service coin counter in our Main, Boscawen, Bristol, Tilton, Merrimack, Goffstown and Gilford Offices. This service is free of charge for customers and offers a less expensive option for non-customers than local supermarkets.

DEBIT / ATM CARD: Included in this category is FSB’s VISA Debit/ATM Card (including the PassKey labeled card), the FSB Business Check Card, and the FSB Health Savings Account Debit Card. This tool allows customers to conduct the merchant-preferred POS transaction, the bank- preferred VISA transaction, and allows an ATM cash & POS cash-back option.

VISA CREDIT CARDS: Franklin Savings Bank has entered an Agent agreement with TCM Bank as a means to offer a Franklin Savings Bank branded credit card for both consumer and business customers. Customers can apply via the Banks website.

CARDHUB: With CardHub customers can manager their debit cards within the FSB mobile banking app. CardHub allows customers to turn their debit cards on or off, set spending limits and transaction controls, receive real time alerts, review balance and card activity and with the use of GPS location-based controls, they can only allow their debit card to be used if it is within a 5-mile radius of their phone.

FSB ALERTS: Receive custom alerts in our online banking or mobile banking applications to keep customers on top of their finances. With FSB Alerts customers can conveniently monitor account balances, scheduled payments, transaction history, deposit, withdrawals and stay informed on changes to their accounts.

DIRECT DEPOSIT: For convenience and safety, direct deposit of payroll, government and retirement checks is encouraged with FSB customers.

E-MAIL: Customers and non-customers alike are welcome and encouraged to send e-mail to the general FSB address of mybanker@fsbnh.bank or to individual employees.

FACEBOOK: Customers and non-customers alike who are members of the Facebook community and have joined (or 'Like') our page are welcome to post comments on our page (known as a 'Wall'). FSB closely monitors this channel for timely replies to posts. "Social Media, like business networking, is more effective the more you participate in and add value to the discussions. It can vastly extend your reach by connecting you to people with whom you would otherwise have no access or direct contact."

LINKED-IN: Similar to Facebook, customers and non-customers alike who are members of the LinkedIn community and have connected with our professionals are welcome to correspond through messages on this channel.

ONLINE CHAT: Customers have the choice of 'chatting' from within Online Banking or all web visitors can communicate with our staff from other strategically located 'Chat' icons on our web site (www.fsbnh.bank), including the home page. During regular banking hours, site visitors can chat securely with a Customer Contact Center employee online or after banking hours, the "Chat is Online" button turns to "Chat is Offline/Send a Secure Message". Visitors can then easily send a secure e-mail message outside of banking hours. When making this selection, the secure message is responded to on the next business day. The Secure Message may be used to compose or read a secure e-mail message at any time.

GIFT CARDS: Franklin Savings Bank offers customers the ability to purchase Mastercard gift cards in any denomination between \$10 and \$1,000. Safer than carrying cash, they are ideal for shopping online, paying bills, traveling and for everyday purchases.

BUSINESS ONLINE BANKING: Business Online Banking provides immediate access to customers' business account information – from anywhere in the world. *Business Online Banking offers:* management of business finances from any computer with Internet access, 24/7; viewing up-to-the-minute transactions, check images (front & back), and current & previous statements; customizing online banking accounts by: Assets & Liabilities, Personal & Business Accounts, Clients (for accountants and other professional offices); routine transfer of funds from one account to another; frequently transfer funds to and from other financial institutions; initiation of stop payments; viewing personal and business accounts all in one view (for business owners); controlled access of multiple employees to perform delegated business transactions; payment of business bills electronically; and export of account transactions to popular money management software.

EXECUTIVE CASH MANAGEMENT: The second tier to Business Online Banking service is *Executive Cash Management*. In addition to all of the Business Online Banking information above, this service also includes: ability to pay employees through direct deposit; automatic customer account debit for services rendered; sending wire transfers; and paying quarterly tax payments electronically.

NIGHT/AFTER HOURS DEPOSITORIES: After hours depositories, located at each of our offices, are convenient for those area business customers who are open later than our offices and prefer not to leave money at their business. This access channel is also available for personal FSB customers wishing to make retail deposits and loan payments (or submit completed paperwork), an important option since not all ATMs in our market areas are able to accept deposits.

ONLINE BANKING: Available at www.fsbnh.bank

Since the inception of Online Banking in November of 1999, customer enrollment in online banking services continues to grow steadily. Customers need convenient banking opportunities for performing transactions from home, office, or on the road. Similar to Telephone Banking (below), Online Banking provides such convenience with 'live', up-to-the-minute balance information. FSB's Online Banking provides customers the ability to: perform scheduled or immediate account transfers, transfer funds from and to other US financial institutions, check account balances, view account statements, download transaction data into financial management software, set up account alerts, request e-Statements, and more.

MOBILE BANKING: Customers with web access and e-mail/text message capabilities on their mobile device have the option of banking from anywhere at any time with FSB. With the FSB Mobile Banking app for smart phones (iPhone or Android) or tablets, customers can deposit checks, view check images, account balances, transfer funds between accounts, see pending transactions, view banking hours & locations, see ATM locations, receive alerts on accounts, and more.

Customer Access Channels

BUSINESS MOBILE BANKING: Business customers with web access can check business account balances, view recent transactions, transfer money between accounts deposit checks, view deposit history, approve transactions scheduled through Business Online and receive alerts when approvals are pending.

MOBILE DEPOSIT: Mobile deposits allow business and personal customers to deposit checks via their mobile phone. Customers will use their phone's camera to take a picture of the front and back of each check, then submit the images electronically via a secure transmission through I-Bank24 Online Banking to FSB. Deposits can be made 24 hours a day, 7 days a week, from anywhere.

BILL PAY: With Bill Pay, customers have the option of paying bills online any time of the day or night. The system will *automatically* cut a paper draft if the payee does not currently accept electronic payment. Additionally, customers have the option to pay people directly with simply an e-mail address or mobile phone number.

ONLINE ACCOUNT OPENING: Customers can open personal accounts online by selecting the **Open an Account** tab through online banking at www.fsbnh.bank.

ONLINE APPLICATIONS: Customers can initiate consumer loan applications by selecting the **Apply for a Consumer Loan** button on our web site. To take it to the next level and for added convenience, mortgage loan customers have the convenience of completing the entire **mortgage loan application** online and may even receive online approval. This application system provides the required application disclosures. Additionally, if certain criteria are met, an online customer may receive a Pre-Qualification document allowing them to proceed with appropriate parameters when home buying.

PHONE: With local and toll-free numbers, our customers can easily reach FSB by phone. To coincide with our philosophy of providing personal, quality service, our Customer Contact Center employees personally answer calls. When utilizing the direct lines for FSB staff, select vendors, customers and other individuals can reach FSB employees quickly and directly, without being transferred.

STATEMENTS – ELECTRONIC

ELECTRONIC: FSB offers the convenience of e-Statements to all consumer and business customers. For their convenience, customers receive an e-mail notification that their account statement(s) are ready to be securely reviewed by logging in to the e-statement portal.

Customer Access Channels

(continued)

PAPER: FSB offers Paper Statement mailed through the United States Postal Service for those customers who do not wish to receive their statements electronically.

TELEPHONE BANKING: With the convenience of Telephone Banking, our customers are able to:

Access account

inquire on balance or recent transactions

make a transfer between FSB accounts

make FSB loan payments with transferred funds from an FSB deposit account

Report a lost or stolen ATM or Debit card

Hear listings of banking hours and ATM locations

Speak with a Customer Service Specialist (during business hours) or
